As you probably know, WSFS is closing its location at the Trabant Center at the end of May. But, don't worry; WSFS will still be offering great student checking accounts with no minimum balance, no monthly maintenance fees, free debit card and free Online Banking & Bill Pay. We are conveniently located close to campus and have the largest ATM network in Delaware including ATMs in Smith Hall, two on Main Street and over 300 others throughout the region.

The great service you are accustomed to with WSFS will stay the same.

Here are a couple things you should know:

- Your account number will stay the same.
- You will still have access to your money through all WSFS branches, your debit card and Online Banking & Bill Pay.
- **The UD #1 with STAR Card will become inactive as your WSFS Bank Card on May 12, 2010. However, WSFS has issued all students who bank with us a WSFS Visa® Debit Card which will remain active and can be used anywhere VISA® is accepted. Also, using your debit card you can earn cash rewards with every qualified purchase*. Your UD#1 Card will continue as your University ID card and can still be used for Flex, Dining and more.**
- If you haven't already received a WSFS Visa® Debit Card, visit the Trabant or College Square locations and order one for FREE.
- Deposits can be made at any WSFS branch. If you would like to transfer funds, you can schedule a transfer or transfer money through Online Banking anytime. Bill Pay and Direct Deposit is also always available.

- Included in the mail we sent you, there is a Best Financial Friends (BFF) Card. Bring it with you to any of WSFS's 36 locations, make a transaction and on the 10th transaction, get \$10 deposited into your WSFS account.**
